

← Keep all important information inside blue line.

The diagram shows a vertical page layout. At the top, there are three horizontal arrows pointing left from text labels to the left edge of the page. The top arrow is blue and points to a blue dashed line. The middle arrow is black and points to a black solid line. The bottom arrow is red and points to a red dashed line. The text '24x48' is centered in the lower half of the page. The page is bounded by a solid black line on the left and right sides.
