

Economy Tear Drop Flags

1. Empty contents of **Carrying Case**.
2. Remove protective plastic from **Whip** and **Flag Poles**.
3. Insert 2nd **Flag Pole** into bottom **Flag Pole**.
4. Insert **Whip** into top end of **Flag Pole**.
5. Pull flag sleeve over **Flag Pole**.
6. Make sure **Whip** goes all the way to very end of the pole sleeve.
7. Secure flag by pulling elastic bands over each hook of the **Elastic Band Anchor**.
8. Drive **Ground Stake** firmly into ground with hammer.
9. Don't hammer **Receiver Cup** on **Ground Stake**.
10. Make sure **Receiver Cup** on **Ground Stake** isn't touching ground.
11. Insert **Flag Pole** into **Ground Stake**.
